Naturalism, Part 2 [Sire, pp. 68 – 86]

B. How Naturalism answers the elemental worldview questions (continued):

6. What is the meaning of human history? *History is a linear stream of events linked by cause and effect, but without an overarching purpose.*

7. How do we know what is right and wrong? *Ethics is related only to human beings.*

C. Naturalism in Practice: Secular Humanism

D. Naturalism in Practice: Marxism

E. Naturalism: Its Pervasiveness, Persistence, and Problems
